DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Amy Christensen on 7/10/06.

The application has been amended as follows:

In Claim 15

Lines 1-2

Replace "A method of encoding a matrix of transform coefficients comprising:" with - - A method of encoding a matrix of transform coefficients of video data comprising: - -

In Claim 15

Line 3

Replace "receiving a matrix of transform coefficients;" with - - receiving said matrix of transform coefficients; - -

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

Yamaguchi (US 5,786,857) discloses an apparatus that relates to image processing (Yamaguchi: column 1, lines 5-7). This apparatus comprises

"receiving a matrix of transform coefficients" (Yamaguchi: figure 1, wherein the decoder receives the transform coefficients produced by the quantization unit) and "creating a probabilistic model representing dependencies and correlations between coefficient locations and groups of coefficients from the matrix" (Yamaguchi: column 5, lines 38-42, wherein the probabilistic model is the Markov model). However, this apparatus lacks the entropy encoder and two-dimensional probabilistic model as claimed. This apparatus further lacks the specifics of the descriptors as claimed. A further search was conducted which failed to yield any prior art. Therefore, the prior art fails to teach or render obvious these limitations taken within the others in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
